Option 2: Call the number above for credit card info/processing. (Player Collects Form)

Benefits of supporting Charleston United UPSL

- Community: Support a local semiprofessional team of Charleston community members. Many of these players volunteer their time in the club to our youth.
- Community: Support West Ashley's very own semiprofessional soccer team.
- Visibility: Be recognized in the UPSL, a nationally renown league of 300+ teams from California to South Carolina.
- Visibility: Games are streamed internationally.
- Visibility: Charleston United is primarily a youth club in West Ashley with over 250 youth members and even more alumni.

Where your money goes:

All sponsorship money goes directly to the program. These players do not get paid, and all the money goes towards, travel, equipment, jerseys, league fees, events, and field rental. The UPSL team wants to be a community team that neighbors can take ownership of.
